Dear Robin,

North Bonneville City Hall would like to thank you for your generous support as a sponsor for our 2018 Gorge Days Festival! With your backing, we were able to provide a variety of great experiences for everyone who attended, and we wanted to pass on the thanks of so many people who expressed how much they enjoyed themselves.

Bringing people together in celebration helps create a thriving local community, and hosting visitors from outside the Gorge area is also fun! We've heard so many compliments and excited comments about how great it is to relax and play together, and to meet new people and connect with neighbors and old friends. This year was a bit of test run for the City itself to manage the event at a much lower cost and we really appreciate your support in making it a success.

We hope you enjoyed supporting Gorge Days this year and had a lovely time yourself, enjoying the appreciation of others around you. Without you it wouldn't have been the same. We're looking forward to next year!

Thanks again!
